In G.O. no. 522-7/m 7 453-12-4 dated the 15th August 1913, the funds of the premier institutions of the State have been ordered to be invested in Govt of India Promotes, and the balance at their credit can ill afford to bear any extra charge. 7) In various instances the govt. have come forward with a grant in aid of such charitable undertakings, the latest instance in point being the Srivilliputtur Mandiram or Choultry & in the latter case a govt. grant not exceeding Rs 5'000 was not be considered as excessive and a fairly presentable building may be put up for the amount a free site being provided by the govt. or the Municipality.

The amount Cannot, I submit, be made available from the State grant of Rs 10,000 as the demands of Muzrai institutions for repairs are very pressing. Already there is a Complaint from Tirupathy that extensive repairs are badly needed and the Govt has called for from the State grant as the Savings of the Credit of the charities are vested for other purposes.

9) I would suggest that the grant may be made from the General funds as in the case of the Orphanage. If this is not practicable funds are available at the Credit of Sri Kalaseswara Swami and Sri Chamarajeswara Swami and Rs 3000 and Rs 2000 may respectively be ~~made~~ delivered to these institutions

Sreemukha No 903-354 dated 26th June 1913, from the Swamigalu praying that Government may be pleased to grant an equal sum of Rs 5000/- from the State Funds in aid of the proposed construction of the Students' Home.

Order

Order thereon No. 2127-9 mus 584-12-4 dt 16/2/1914

Dated Bangalore January 1914.

Govt are glad to accept the liberal donation & the recurring grant offered by the Swamigalu, for the Construction of a St Home in Connection with the Ch. Sanskt Coll Bangalore. They are also pleased to sanction a Gr.-in-aid of 5000 Rs, towards the Constn. of the St Home, Rs 3000 from the funds of the Sr Kalas Temple &c, and 2000 Rs, from those of the Sr. Ch. &c.

The munificent donation and recurring grant offered by the Swamigalu of the Sri Sivaganga Mutt for the construction and upkeep of a students' home in connection with the Chamarajendra Sanskrit College, Bangalore are gladly accepted by Government as an unmistakeable proof of the Swamigalu's personal interest in the advancement of Sanskrit learning. Government are always ready to encourage a movement of ~~this~~ the kind, but they however think that, as the institution is to be confined to Sanskrit students of the Brahman class only, it is inexpedient to charge the State Funds with such grant particularly as there are surplus funds of certain temples available for being drawn upon and such funds cannot be used to better advantage. Government are accordingly pleased to sanction a grant-in-aid of Rs 5000 towards the construction of the students' home, Rs 3000 being charged to the funds of the Sri Kalaseswaraswami temple at Kalasa in the Mudagere Taluk and Rs 2000

to the funds of the Sri Chamarajendra swami temple at Chamarajnagar.

2. The Muzrai Superintendent will place himself in communication with the gentlemen deputed by the Swamigalu for the preparation of the detailed scheme and submit for the orders of Government further particulars regarding the site selected for the location of the institution, the plan and estimate of the building and rules for the conduct of the home and the utilization of its funds.
